“ *We've known Betty since she lived in the apartment below mine in Miami in '66 and Nancy in the same complex, Gene was stationed at Key West Naval Air Station and visited us when he was off duty. Betty and Gene dated and married in '66 and Nancy and I attended. We've known and loved Betty '56 years. We partied and grilled steaks almost every weekend. Betty was so nice and fun to be with. We'll miss Betty dearly but have lots of precious memories of her.*

“ Betty was a wonderful childhood and teenage Friend here in Tyrone, ON., Canada. Great memories of our time growing up through Public School and High School, a bunch of us loved L'il Lulu comics, so about grade 6 or 7, we all formed L'il Lulu club. “Bett” was always happy and got along with everyone. We will never forget her.... Warm Memories will keep her in my minds and hearts.
