“ So sorry to see the passing of Betty. She was my Mother's first cousin (Chatlos side). Betty and I emailed and wrote over a few years and the emails stopped. I sent old photos of the Chatlos' in Tuckahoe NY. Sorry I'm just seeing this. She was fun to catch up with ever so briefly. She was sweet. Hope this finds her family.

“ To my dear second cousin Betty who I never got to meet. I got to know her through the computer when she noticed a message I had posted looking for my father. I had mentioned my mothers name, Shirley Chatlos. Betty contacted me and welcomed me into the Chatlos family. She had many wonderful memories of my grandfather Steve Chatlos. She was very kind and thoughtful telling me all about family that I had never met. We became close, thanks to the internet We did talk on the phone a couple of times and made me laugh with her sense of humor. I miss this dear sweet cousin and am very sad that we never met. She will always be in my thoughts and prayers. I pray she did not suffer. I would love to hear from any of her family. Love you Betty. Cousin, Rosalind. Tel # 413-331-2494.
