“ My name is Kelly (Bacon) Cox and Ms Mae was my babysitter from age 3-8 in the afternoons and summers. It's hard to remember everything about those years when I was so young, but I distinctly remember loving Ms. Mae and her house, and the great food she would make for the other kids and me, and how happy I was there with her. She loved the kids she kept and made us feel special and loved. She would let me help get eggs from her hen house, and I thought that was possibly the best thing that had ever happened to me in the world. I'm so grateful to have gotten to spend time with such a wonderful lady!
