“ From the Higdon family to Eugenia Miller and her family. Very sad to hear the passing of Eugenia Miller. The Miller family an the Higdon family all grew up in the old Church of God in Sale Creek Tn. The Miller family is one of the sweetest familys you would ever want to be around. A great reward for Eugenia and Vance is that they are with our Lord and Savior Jesus Christ.

I didnt know Eugenia Miller nor anyone related to her. But I do knew how your feel Debby. My mother passed away 4 years ago at the age of 56. It was hard and is still hard not seeing her physically. We all have a wonderful God, the god of all condolences. To recieve that condolence from him, we must read the Bible, that is the way God speaks to us. As a good father, He is close to the ones that are suffering. I encourage you to strengthen your relationship with God in theae difficult moments and your will see how he sustains you. My condolences to you and all that was close to Eugenia Miller.
