“ *The things I will miss about Aunt Euva is her laughing and her telling me she is going to whip me. I am so glad that I was able to get to know her. She always had a smile on her face and when she was upset she tried to hide it. I know I will see her again. TO my family my heart is with you and I love you guys.##imported-begin##Kathi Wiegmann (Hodge)##imported-end##*

“ *The last time that I saw Aunt Euva, she was in the hospital. She was laughing and saying that she wanted to go home. She loved her family and was always a hard worker. She was always wanting me to send pictures of my children and now my grand daughters since she never got to see them otherwise. She will be missed but I know that she is in Heaven and I will see her one day. My thoughts and prayers are with all of my family and even tho I can not be there, I feel the sadness of her loss. My heart is there with everyone.##imported-begin##Linda Parson##imported-end##*
