“ *We remember Evelyn as a sweet soul that worked as the nurse at Big Ridge. And when our second daughter was a toddler and I had volunteered at big Ridge, Evelyn always took Nisha and played with her in her office. May you know she had impact on so many.*

I don't know but for some reason today I tried to just look her up and I found out about her passing. Prayers for your family.

Sheila, mother loved being a school nurse and meeting dear friends like you. She was so fond of you and she absolutely loved Nisha. I remember coming by the school to visit mom and she would be playing with Nisha. Thank you again for thinking of Mother and being a dear friend to her.

Blessings, Jody
