*Hello David. I am so sorry to learn of your dad's passing. He was a long time friend and I always looked forward to having him come and work on my Elna sewing machines at Sale Creek HS. I saw him several years ago at Hobby Lobby. Please accept my deepest sympathy.

*Hello family, I never knew Mr. Henry very long but he was an amazing person. He was so interesting to talk to. He worked on my machine wants and we talked forever. He told me about a place in Tellico to go see the fall leaves changing I never did make it, because I actually forgot where he said to go. May the peace of the Lord be with you guys always.
