BUTCH!! My husband Rick and I went to get a puppy from a friend of ours and we seen Butch. Bob was not looking for a puppy and he did not have a dog at the time (highly unusual). We knew he was coming down from Clearlake and so we surprised him with Butch. He loved that dog! That was best present that we ever gave to anyone! I sure am going to miss your Brother Sue! He was a friend of mine and my husbands for over 32 years. My heart goes out to you and everyone that he left behind!

“ *Here's my memories of Bob. When you talked to him all he talked about were his kids and grandkids. I think that says it all about the person he was. His family was his true north and biggest priority. He has now become their guardian angel.*
