“ Linda, So sorry to hear this about George. He was one of my favorite people when we were in school. I remember all the fun times we had when you all visited Garland and I would see you. Please give Shannon and your son my condolences.

“ Sorry to hear this bad news. When Claude and I lived at the home place down the road from Margaret and Lola and family, they were long-time friends of Claude's family. I remember when George and Hazel were kids, they would come to visit us with Margaret and Lola. Scott and Darla were little, and they loved them. Hazel and George would take them down to Howard Lee's store. That was BIG stuff for them and they have never forgotten them.
