“ Its so unreal to think that Mamaw is no longer with us, but I know that she is in a better place now.

I'll never forget how sweet and loving she was. She always felt more like a grandmother to me than my own grandma ever has.

I only wish that she was still around to meet her great-grandchild. However, I will make sure of it that the baby hears all the wonderful stories of Mamaw and how amazing she was.

I love you Mamaw, and I miss you so much. You'll forever be in my heart.

Love,
Kayla [fiancee of Adam Poe]##imported-begin##Kayla Guard##imported-end##

“ Brenda was one of the kindest most gentle people I have ever encountered in my life. She had a heart that could love and see the good in everyone. I said yesterday even though I wasn't apart of her current everyday life noe she still would see me from time to time and still you could feel that she loved me. I spent alot of time in the past with Brenda whether it was shopping, going to the doctor, or just helping her clean house, they were all good pleasant times I can't ever remember her hateful even when she didn't feel good she would still try to be kind and gentle. She was a grandmother to my son that most could only dream of we were truly blessed with what time we all had her. But God has a bigger plan. She will always be remembered in my heart. To the family I have some really good pictures if someone wants copies. May god bless all of you in your time of heartache I still love all yall.. Love
