*My condolences to the Kellerman family. I had the pleasure of serving with the man I called my Seabee Dad in two different commands. I met him in CBMU 302 in 1982 and served with him again in Naval Support Unit, State Department in the mid 80s. He was a great role model and great leader.

I didn't serve with Glen but served with his Daughter Troy at NSU State Department in the mid-90's. I knew all I needed to know about Glen by being friends with Troy. I know he was a great man. RIP Seabee!!
