“ *What an extraordinary woman your mother was. I doubt there was anything she did that wasn't excellent. I also remember her as a sweet person that was always kind. How blessed you were to have had such good parents. They were tough but fair minded people. The salt of the earth. I only just saw her obit on line or I would have been at the funeral home. All of my earliest memories involve the Colvin family, from playing with John Allen and watching the horses to the fights between our dog and your dad {Old Bill always won}. I know you will miss her but how awesome it must be to have had her for a Mom. God speed Glenn, there is an eternity of reaping ahead for you. God bless you all. Wreba Clark Poole*”

“ *Mrs. Colvin was a wonderful lady. I had the pleasure of working with her during my years at the newspaper, and even did a feature story on her. I enjoyed my time spent in her home the day I interviewed her. She was a beautiful person. My sympathy to her family.*”

“ Janice, John Allen and Anita, I am going to be out of town for a few days and just saw your mom's obituary in the paper--Some of my very fondest memories are of your mom and the other ladies who came to the home demonstration meetings--they were highlights of my childhood which I didn't really appreciate at the time, but later realized the worth of the precious gatherings of friends. I will miss your mom, she was a very dear person!
