“ I know Marcella and her family here in Anchorage.
I heard a lot about Mr. Rigsby from my conversations I had with
them around the dinner table or in the living room.
Marcella and her family are the way they are because of her father.
Inviting, warm and friendly.
You are in my thoughts,

“ I am sorry I can't be there, and really wish I could be with you all.
Grandpa taught me a lot of things that one could never learn in
books. It is a great loss to our family to lose grandpa's firsthand
knowledge of a time gone by.

I love you all. You are in my thoughts and prayers.
