“ I remember Steve worked in wolf creek Kansas with mike. He lived with us for a few months and when he got his first check he bought what he said was one of the finest bottles of champagne. It must have been good because none of us could even drink it, it was so awefull. We had a lot of great times with Steve and he will be missed. Melinda and I were best of friends in high school and I would always see Steve when we were at her house. If you were fortunate enough to know Steve, you know what a great man he was. Melinda if you would please give me a call, I have been trying to get in contact with you for a very long time. 4237624673. My heart goes out to the family and wish peace for them in the coming days, weeks, months, even years as you remember Steve.
