“ Well it's been a little over two months since my Dad passed. We didn't really get close until he got sick, and I'm so sorry for that. But we did get close and shared a lot of my childhood memories together which is really funny, but sad because I loved one that he always brought up, and now I'll never hear him tell me about it ever again. Dad u are so loved and missed by all of us. I really think your in Heaven, because you told me you got things straight with God before you died. I'm not and never will be glad your gone, but I didn't like to see you suffer and I know you loved me because everytime I seen you in the Hospital you told me over and over. I LOVE YOU DADDY.
