“ to bervin, dave and the rest of the shell family. it is with great sadness that we the cappellino family receive the news ,hazel, mrs shell,wife mother grandmother and friend has passed away .mrs shell always welcomed myself my wife and my daughter into her home with a smile, open arms and a warm heart ,treating us like long lost family .our lives are better because of the experience of knowing her. I honestly cant remember one time in her presence when saying my name she didn't smile a real smile .we thank you all for sharing her with us . unfortunately my mother is ill and we are unable to leave her and attend mrs shells funeral but our hearts and prayers will be with you all when she is laid to rest on the mountaintop making her journey to heaven a little shorter so she can give the lord and Jackson lee a special treat by making them biscuits and tomato gravy. with love always jim cappellino and family.
