“Heaven we miss you so much. It seems like it was just yesterday that momma brought you home from the hospital I was so happy to see you I was pregnant with Tanner and when you were just 6 maybe 7 months old your mom asked if I could watch you and it was so hot that day I was so big and I wanted to have Tanner so we went for a walk around the trailer park that nanna and papaw lived in and I pushed you around that road up and down those hills just tryin my best to go in labor and it just didnt work so I took you back in the house and put you on my belly you were so heavy at that time I knew it would work and when your momma came home she picked you up and i tell you it did not take long after she got you for me to have him. When you came to the hospital to see me I was so happy I wanted to hold you and give you loves and I couldnt cause i was not allowed to pick you up but in the end you and Tanner were hardly ever apart you guys were two peas in a pod and when i got that phone call that awful mornin i did not want to believe it I still dont Paige talks about you all the time and prays that you watch over her but I really can not believe its already been so long since we lost you but I do keep you in my thoughts and we miss and love you alot###imported-begin##Sarah Bryant and family##imported-end##

“ Heaven, you have been gone a year and me and papaw still can't beleive it. There's not a day that goes by that your name is not spoke in our house, we still talk like you are still at our house running through the house. Tanner misses you so very, very much, and he often speaks your name. When me and Tanner says our prayers at night he still prays for you. Papaw says that your still his "little fishing buddy" We love you so very much. When I come in work, every day I look at your picture and that beautiful smile just kinda makes my day go better. I keep in touch with Momma a lot and Papaw to. We miss you and love you very much Nana, Papaw and Tanner##imported-begin##Nana & Papaw Porter##imported-end##

“ My daughter Madison is also a 1st grader at Dayton City. Although her & Heaven were not in the same class they were friends. They ate together in the mornings & played together at recess. Madison came home yesterday with a picture she drew that said "She is an angel" & told me "Heaven is in Heaven now". All our hearts, thoughts, & prayers go out to you. Let God's love shine on you for when you are weak & want to crawl God will pick you up & help you to be strong.##imported-begin##Liz Norris & Madison Wetherbee##imported-end##
