“ I met Mrs Wellman and her family about a year before I left Laurelbrook, She and her Husband Lee was a great inspiration to me, I worked allot on the farm with Mr Wellman and he taught me allot about farming, I just am glad I had the chance to know Mrs Wellman, may her memory and all she did for Laurelbrook live on in the history of all that has always been right about Laurelbrook and the people that came and worked so we all as students may have a better grip on live when we went down that mountain the final time to face the real world. I wish her remaining family Gods blesson of peace.
