“ *Forgive me for using this guestbook as a means of communication at such a said time for you but I wonder if I have some photographs that may belong to your family. I found this obit by searching on the internet for Myrtle Mack Leffew. We found an old photo album in our attic - not sure where it came from- that has numerous photos of folks sent to Myrtle Mack Graysville, Tn in 1916 and to Mrs. Fred Leffew of Soddy, TN in 1916. Most are postcards with photos on the other side. They are in great condition. There is a photo of Ethel Leffew, two entitled "Mama" dated 1925, one with a note "Mama, Margaret, Gertrude and Beatrice and Mabel 1920" There are a lot of other photos made by studios in London and those don't have names. Are any of these names familiar to you? If so, let me know and how to get in touch with the right person who may want these treasured photos.*
