“ Dear Family,
We were so sorry to hear about Aunt Gene, but we are so glad that she is with her Lord now and the rest of her family that went before her. She is in a much better place now, but it is so hard for those left behind who are missing her so much. It was such a privilege to live across the street from her and Rep and we have such nice memories of that time. We will always think of how Aunt Gene loved everyone and how she gave so much of herself to care for others in their time of need. She was a remarkable woman and we loved her. We are sorry that we can't make the trip to Tennessee but our thoughts and prayers are with her loved ones.
With Love and Sympathy,
Larry and Cynthia##imported-begin##Larry and Cynthia Rothell##imported-end##
