“ I worked with Iris at Eastern Air Lines for more than 20 years. She was always a bright spot in my day. I'll always remember how beautifully she dressed, that she was one of the sweetest people I ever met, and that I always looked up to her. She took her job seriously but not herself. We were always laughing and having fun. I will miss knowing that she is no longer in this world but know that she is happier with Paul on the other side.
