“ *Jack I never got to meet you in person but I'll talk to you on the phone and you meant a lot to me because you gave my mama home and loved her with everything you had you were the sweetest man that she has ever had in her life I just wish I could have got to meet you in person but someday I will in the news but that's for now I hope you're resting and waiting for God to return I love you very much even though I didn't know you and you didn't know me you in my heart*
