“ I know its sad that i come on here daily, but today I had to write you. i sit and I think back on that last day you spoke to me, I never wouldve thought in a millions years that would truly be my last. I remember how you hugged me then laid your head on mine, just the way you laid your head on mine, it gave me a feeling that Iv never felt from you. Always remember we think about you constantly. I never knew how hard it was going to be not being able to just call and laugh again, come by and vent when I had a bad day. I miss it! I miss it alot! Sundays dont even feel the same anymore. The tears never stop and I really dont

Jackie use to keep me a lot ,so much that my mother said people thought that I was her child. That being said, that says a lot about how nourshing and caring she was. Martha and Rachelle Bowers

“ My condolence to the family of Sis Jackie. She has been a precious friend for many years. Each time I saw her she had a smile on her face and a testimony for the Lord and his greatness. The glory of the Lord shone upon her face and the Love of God was so present in her life. She will be sadly missed by me and all that knew her "To be absent in the body is to be present with Christ". My prayers are for the family if there is anything I can do please let me know. Sis

“ Condolences to the family of Jackie Roberson. In times like these, we need a Savior and surely we have that in our Lord and Savior, Jesus Christ. Although, we know that God doesn't make mistakes, it's hard to say good-bye to a loved one. Just know that as long as you live a life that is pleasing to the Father, this isn't good-bye, it's just a "seeya later." Kandice, Brittany, and Gregg....you guys are in my thoughts and prayers as you face this difficult time. May God comfort your hearts and give you peace of mind.
