“ To Tiny's family,
I am so sorry for your loss. I wish I had known and I would have been there. Tiny was a good man, and will be missed by so many. He and my dad (Perry Hancock) were good friends until my dad passed away 8 years ago today. They worked at Dura together. I also worked with Tiny, as well as my brother Charles. We love you Tiny.###imported-begin###Brandie Hancock Deweese###imported-end##

“ Aunt Jean, Mary, Lyric and family. I am so saddened to hear about Jimmy. The memories of years gone by flood my memory. All the happy times in Grand Marias when we were kids. Jimmy was always so much fun to be with. I am grateful that I got to visit with him 2 years ago when I stopped by. May all the great memories stay in your hearts forever. Love, Your Yooper cousin.

“ *Dear Jen, Jamie and the Sullivan family:*

My heart is with you at this sad time.

The minister that officiated over my mother's funeral said something I found very comforting.

It went something like this:

There is a time to mourn.

We mourn, when those we loved, the blest, depart!

James has left a noble posterity to bear his name and to bear record of him and to emulate in example; James is freed from pain and suffering and the anxieties of life, and is now beyond the cruelties of this earth .

For he is comforted by the company of God, leaving you to bear his pain.

I hope this brings some peace and comfort at this time.

Love always,
