For China travel, transportation makes the adaptation among a successful shuttle and a flopped one. Providing the vastness of the country, travelers select the way of shipping; they can conveniently go to next destination. Express train, commute buses and cruise ships are the preferred methods of transportation, if your trip is more board and lengthy-distance, then traveling by air is more reasonable.

An ideal time to take an Alaska travel tour is between May and September, in which the days are long and warm with less chance of rain. June and July is the summer season, in a range of 60 °F to 80 °F, as a high season for tourisms, in which accommodation costs are slightly greater than other months. However, discounts are also applicable after the high season. Weather would take to a consideration when planning a trip to Alaska.

“ Ron, Laurie, Brandon and Casey, we want you all to know that your mom will forever and always be in our hearts. She was the most wonderful person. When we first moved to Tennessee, she immediately made us a true part of the family. We will always remember the fun times we had. But God is taking good care of her now. She will forever be missed. We love you all and will always be thinking of you.###imported-begin##Katherine, Jason, Rachael & Jarred Yarberry###imported-end##

“ Uncle Ron, Brandon, Lori, and Casey,
I want you all to know how very, very much I love You. Aunt Janice was the greatest person I knew next to Momma. I know that they are both in Heaven together again laughing and talking like they always used to. Uncle Ron, I know that Aunt Janice loved all of us very much. She told me when I was home last year, how much she loved you and how grateful she was to have you in her life. I know now just how she felt about you, because of I feel the same way about Chip. My only regret is that she was never able to meet him. Brandon, Lori, and Casey, I know that losing a mom is one of the single hardest things that you can go through. As I am sure you know, you can take comfort in the fact that she is now in Heaven where she can laugh and smile and be happy without pain. She will always be with you and she will always look down on you no matter where you are or what you may do. She loved you guys very much as do I. Just remember, I will always be here for you all any time that you need me, if it is nothing more than just to talk.
I Love You all and miss you very much. Crissy###imported-begin##Christina Cornelius###imported-end##

“ As her cousin, I want to say how sorry I am to her husband and children, her parents, and her brother and sisters.

Her beauty, kindness, and mostly her serenity of being are the things that I remember most about her. She spoke so softly, but she had a power of voice and conviction that left me in awe. She took my breath away with just a few words. I've known two people in my life that had that ability and now they're both gone. I will miss her and I know that I'm not alone.

You're in heaven and some day soon, I'll rejoice with you. Love you!##imported-begin##Sandra Gail Mincey Ferguson##imported-end##

“ I was shocked and saddened to hear of the passing of Janice. I was a teacher at Pleasant Grove MDO and had Lori in class for a short time and I had Casey in class for a year. Janice was one of my favorite Moms. She was always so kind and thoughtful. And you, her children were just like her. She was a great mother to have produced such well mannered children. It was a joy to be your teacher and to know your mother. The world is a better place because Janice was here. I have taught for a long time and there are many I don't remember - but you as a family stood out because you were all so special. Please accept my heartfelt sympathy. The true eternal life of our Lord Jesus Christ whose arms she rests peacefully in now. Her spirit will live on through her children and family. “ Times like this makes you think of all the missed opportunities that will never again be. We get so caught up in our day to day lives that we just don't spend enough time with family and friends. Janice has always been such a special cousin - and all I can do now is wish I had taken more opportunities to spend time with her while she was with us. Janice had the sweetest spirit of anyone I've ever known; so much love and consideration for everyone. She also showed an incredible amount of strength and determination in her fight against the cancer. I'm certainly going to miss her, but know she's watching over all of us now. Much love and my prayers are with Aunt Sis, Uncle Red, Ron, Brandon, Lori, Casey, Phil, Phyllis and Cheryl and their families.##imported-begin##Diane Henning##imported-end##

“ *Janice was my rock and someone I could talk to about anything. When people say that God closes one door and opens another, believe it! Janice kept saying she wished I could find another job, and I finally resigned from my job in September 07. Shortly after this, she and I took an unforgetable trip to the cancer institute outside of Chicago and from then on, I had a chance to spend many days with her. Only the Lord knew when I was having such a difficult time at my job that Janice really needed me. I wouldn't take anything for the months I had to spend with her. I never dreamed that me, being the baby sister, would end up taking care of my big sissy in the end. Thank You Ron for loving my sister. To see you take care of her showed the deep love you had for her. She loved you so much. She talked to me about how you were her soul mate. Every time I see an Angel, I will think of Janice. She loved Angels. Everytime I see dangling earrings, a big smile or big blue eyes, I'll know my sissy is near. “ Janice was my dear friend since 6th grade. We had many, many laughs and had wonderful visits together through the years. She and Ron were witnesses at my wedding and Ron took the only wedding pictures that I have. She was there the day before my son was born, and we watched our children grow up together. Janice was one of the kindest, most optimistic (and just plain fun) people I have known and I will miss her terribly. Thank you, Janice, for being a dear, dear friend to me through the years. I love you, Ron, Brandon, Lori, Casey, and your two wonderful sisters, Phyllis and Sheryl, and the rest of your dear family.
