“ *Jeremy I miss u just as much 2day as I did the day u left us... I think about u often, at least several times a day. Sometimes I think of u & smile & sometimes I even laugh remembering a lot of good times (mostly from our childhood but most of the time when I think of u I cry... I cry cause I miss u, I cry cause of the heartache I still feel from losing u & I cry when I think about how much pain u must have been in b4 u left... I'm so sorry I wasn't a better sister & that when u needed me most I was selfish & no where 2 b found & that I was 2 stubborn & prideful 2 reach out 2 u & apologize & try 2 b the sister u needed & deserved. Although I didn't apologize b4 u left I am sorry & I'll carry the regret & guilt til my last breath I feel it in my heart that u 4give me & I thank u 4 that. I feel ur presence quite a lot (thank u 4 making ur presence well known 2 me). I do find a lil comfort in knowing ur pain is gone & that 4 the 1st time u r truly at peace & knowing u & Momma r together again... U needed each other & although I would've definitely preferred 4 y'all's reunion 2 have been here I'm happy u 2 r finally back by each other's sides. U were always her baby & even though I did get jealous sometimes, I made my remarks & sometimes joked about it, u were always her favorite & she was never the same without u close 2 her side. But all of that is ok cause now u r both together without the pain u both carried. I want u 2 know that I don't blame u 4 anything... What I mean is... I understand u wanting 2 end ur pain (I hate that u were in that much pain, I know that feeling & my heart cries 4 u knowing how u felt & feeling so alone at a time that u needed someone, I'm sorry I wasn't there 4 u).*

I miss & love u so much Jeremy, I can't hardly wait 2 c u again!

Some of our memories together... (Good & bad)

I remember us roommating when I was pregnant with Luke & u not letting most of ur friends come around cause I was pregnant like just them being there would harm me or something & u getting mad at me 4 trying 2 move that huge floor TV.

I remember when Chicky was almost 2 years old & refused 2 try 2 say ur name so when we watch The Hill's Have Eyes & she started

hollering 4 "Bobby" so I had her start calling u Bobby & u were mad about it til we weren't moving that bunk bed 4 Momma & I was saying "Jeremy... Jeremy... Jeremy... Omg why r u ignoring me" u said "U haven't been talking 2 me so how am I ignoring u?" I said "I've been saying Jeremy!" Then u smirked & said "Excuse me! My name is "BOBBY!" I laughed til I cried!

I remember calling shotgun when we were leaving the old Walmart & u jumping into the front seat & I got pissed & went 2 slam the door & didn't realize ur leg was still out & bruised ur leg bad. I'm still sorry about that.

I remember us walking into the living room where momma was at the computer & busting out with the Spartan's "Who's that Indian in my teepee" cheer & momma laughing so hard at us.

I remember me & daddy having 2 come pick u up after u skipped school & wrecked the van, we were so scared til we saw u were ok. I remember the 1st New Year's Eve after u turned 21, I had already gotten 2 the bar in Athens & had been there 4 a lil bit then u called wanting 2 go & I came all the way back & got u.

I remember u getting mad at me 4 not kicking that girl's ass 4 cheating on u.

I remember us physically fighting over the remote.

I remember staying up all night talking 2 u many times throughout our lives.

I remember u dressing up like a scarecrow on Halloween & sitting in the front yard then scaring every kid that came up 4 candy.

I have a lifetime of memories that'll have 2 due me til we can make new ones. I just miss u Jeremy. I love u lil brother!
