“ *It was a pleasure to help care for Geri in her final days. She was so kind and insightful. It was obvious that she was loved by her family, who helped celebrate her life every day. My condolences to the family on the loss of your matriarch.* *##imported-begin##Suzanne Goodemote##imported-end##*

“ *I will remember Jeri's love of life, sense of humor and genuine acceptance of others. She told me once to always take time to "make memories" and many times I have reminded myself to do just that. She was a lovely, caring lady. My sympathy to her family.* *##imported-begin##Mary Ann Davis##imported-end##*
