“ I had the privilege of working with Jess for several years. She was, without a doubt, one of the hardest working people I know. Her patients were always well taken care of. She had such a good heart. Her passion for doing her job well was only surpassed by her love for Ivan. He was everything to her and she was so proud of him. I miss her already - even though we didn't talk much the past year, I thought of her often. Jessica was such a special person with a laugh that would fill the room. I love you and miss you Jess! “ I worked with Jessica at Life Care of Collegedale. She was amazing with the patients. She also went beyond the call of duty as a coworker when I was diagnosed with breast cancer. She stood by me & picked up my duties when I was at my weakest. I Love you Jess!

“ Jessica worked as Certified Nursing Assistant at Lifecare Center of Collegedale for years. She was without a doubt the best CNA that ever worked for. She cared deeply about the patients she cared for. I never, ever had to worry about my patients when Jess was responsible for them. I trusted her implicitly and she never let me down. My heart is broken to hear of her passing. I remember fondly the many conversations we had about her son, Ivan. She loved him dearly and everything she did was for him. Rest in Peace sweet friend and know you were loved and will be dearly missed.
