“ For the time that I knew Jessie she always had a smile on her face and she cared very deeply for others. I believe her greatest joy was making others happy. You are blessed to have had her in your life for so long and nothing I could say will make you feel better during your time of grief but I am truly sorry for your loss. She will be greatly missed by all that knew her.

“ In remembrance of a very loving and caring lady. May she rest in peace, and may the Lord give comfort to the family. Know that, earth has no sorrow that Heaven can not heal.

“ *Jessie was a fine lady. She always had a smile. If I was at the Credit Union and she saw me I always got a hug. May GOD bless the family and keep them close during this time.*

Jessie was one of the finest ladies I've ever had the pleasure of knowing. One of those who was always ready and willing to do anything to help anyone who needed help of any kind. She was a wonderful example of what God wants us all to be. I wish I could have thanked her, and maybe i did, for being the reason my husband is still alive today. I'll never forget her ! One of a kind ! I feel blessed to have known such a precious lady. May God be with the family and give them the strength they need to get through this time of sorrow and may they find comfort in knowing that we'll see her again some day. Cathy Craton
