“ I grew up in Spring City, and when I started high school there was no one from Spring City in any of my classes. In Art class, Mike was an instant friend. So kind and a great sense of humor that was larger than life. I am grateful for that friendship. He will be sorely missed.He has a great family and I pray that God will comfort them through this journey.

“ I only knew Michael from the antique shop where he worked and we enjoyed conversations about our common interest in old things. What I appreciated about Michael as a person was his mild, easy going manner. He loved his family and only spoke in positive ways about them. He and his dad drew up blueprints for the antique store and he had those framed as a gift for his mom. I'd say that gift was more valuable to her than any expensive gift he could have bought. Most sincerely, Sharon Dorn
