“ Joe and his whole family are very special to me. We were raised up in the Graysville Church of God. When my dad passed away in October 1981 The Coulter Family sang at his funeral. The song that really sticks to my head from that day says "i will rise again there aint no power on earth can keep me down". Well that is true for all of us especially when our LORD and SAVIOR returns and we will all be reunited in HEAVEN. I love you guys and will be praying for you all.##imported-begin##Bruce Spradling##imported-end##

“ Joe and his family were a wonderful part of the ministry at GCOG, where I grew up, they were like family to everyone there.

One memory of Joe in 1969 will be in my heart forever. I was in the hospital, just coming out of sedation after being told that our precious April Johnene had passed away after only 12 hrs of life. When I woke up, I saw Joe, tears streaming down his face. He was there with Bro. Scott and several others from church, to pray with us. I don't remember what was said, but Joe's tears spoke volumes to my heart. He was a very compassionate, caring, Christian man...and will be greatly missed. No more tears for Joe, just his amazing voice singing praises to God!

Our thoughts and prayers are with all of you. We love you.##imported-begin## Johnny and Donna Reel Hodge##imported-end##
