“ You were probably the best Granny a grandchild could ask for. You were honestly the craziest, funniest, loving, indescribable woman. You always left smiles on people's face & told them exactly how it was. You always had your ears open for everyone. You were and continue to be my first bestfriend. No one could ever replace someone like you. You were always a few steps away, or even a phone call. There was never a time I recall that you weren't there for me. You always said I'd miss you when you were gone, boy was you right. Granny, you were a blessing to me. Our memories lord out memories. They will forever be in my heart. Don't have to much fun without me up there in Heaven. Save me a spot on the couch. I love you! See you soon, xoxoxo. -Belle

“ JoeAnn was one of a kind. I remember the first time I ever met JoeAnn and her sister Tedra, they welcomed me right in to their house and loved to just sit and talk. I remember having dinner at their house one evening and JoeAnn made us pancakes. Those were, still to this day, the best pancakes I had ever put in my mouth. I still have the Christmas ornament that her and Tedra got me that says our names on it and says Friends in big letters. JoeAnn will be very much missed. A very strong willed woman who always had an open door and an ear to listen to anything you needed to talk about. Not to mention, the best advice you could find. She'll always be a best friend of mine whom I'll cherish forever.

“ I miss you so much! I was very blessed to be able to share my birthday with such a wonderful woman. You were someone very special to me. I will miss randomly stopping by your house to see you and letting you play with "Hollywood" I was never sad around you & there was never a dull moment! You meant more to me than you will ever know! But I'm not saying Goodbye because I Will see you again in heaven one day, until then I love you! My birthday will not be the same, but I know you are looking down on me & smiling & if you seen a frown on my face, you would be highly upset, so I will try my best to smile & make the best out of every situation like you have always taught me to do! I LOVE YOU & MISS YOU!
