“ To the Poole Family. Our deepest sympathy goes out to you at this time. We only knew John for the last couple years after we joined Daisy UMC. John was always so nice and courteous and after he found out we had a grandson in Iraq, he almost acted like he adopted Eric. He would ask about him almost every Sunday, saying, "how's our boy getting along over there?"

John loved his country and those who have fought to keep us safe and maintain the freedoms we share, but above that, he loved the Lord and we should all feel comfort in knowing he has fought his last battle and has reach his final reward.

May God be with you as you go through this tragic time in your lives. You have our deepest sympathy.
