

Jordan Lee Matthews

June 11, 1988 - July 6, 2022

Jordan Lee Matthews, age 34 of Hixson and formerly of Colorado Springs CO, passed away on Wednesday, July 6, 2022, due to injuries sustained in a boating accident.

He was the former owner of Mountain Air Heating and Cooling in Colorado Springs, CO. A master of his craft in the HVAC industry. Jordan and his family moved to Tennessee after deciding to retire from the HVAC industry and pursue new adventures in the Smokey Mountains.

He loved spending time with his girls and family. His love of life was contagious. He always had a smile on his face and the biggest heart. He was front and center every Sunday to cheer on the Ravens. Jordan savored the simple things in life: good conversations, a neat whiskey, time in nature, metal concerts, his dogs, and weekly Magic games.

Above all Jordan loved and cherished his sweet baby girl, Braelynn. She was the light of his life and he transformed into his very best self when he became a dad and welcomed Braelynn Amanda Matthews (or BAM) into this world. He treasured every moment he had being her dad. His little 'kraken' when she giggled he soared.

The world lost a wonderful soul.

Jordan is survived by his father, Robert and Teresa Matthews of Frankfort, IN; his mother, Lisa Matthews of Colorado Springs, CO; his daughter, Braelynn Matthews of Hixson; his wife, Ashley Olinger of Hixson; his sister, Courtney Matthews of Colorado Springs, CO; and grandmother, Darlene Hoffacker of Colorado Springs, CO.

Celebrations for Jordan's life are currently being planned and will announced.

Please share your memories and photos of Jordan on his online guest register at www.vanderwallfh.com.

The family is being cared for by Vanderwall Funeral Home in Dayton, TN.

“When I think about all the times that we have supported each other. And the paths we took to make our life happen. You still help guide me today. And for this I am grateful. Grateful that you allowed me to be the person I wanted to be. Thankful that you were apart of this from start to finish. Missing you everyday, so many words left unsaid. So many thoughts not discussed, many plans started and not finished, and so many worries and fears not reassured. My heart still breaks. My body still aches. My mind still wonders. I love you.”

“ I had the great pleasure of working with Jordan and Ashley the past few years. Jordan was such a great guy whose eyes lit up when he talked about his baby girl. Praying for comfort and strength for the whole family.

“ I had the pleasure of meeting Jordan and Ashley in 2018 and to hear of this really saddens me to know that he passed because Jordan was an amazing person. He was great at what he did when it came to hvac, he was my go to guy when I needed hvac work done and I would recommend him to anyone needing work done as well. When Ashley called me to let me know that he had passed I was completely shocked to hear of this. Jordan you will be truly missed.

“ Jordan Mathews holds a special place in my heart. So many good memories. When God made Jordan he broke the mold after. He did not care who you were, where you came from, or what you did. If you showed him love and kindness he would show it back ten fold. I'm so thankful that I reconnected with someone that was a huge part of my youth, and someone that was my good friend no matter what stupid things I did. Jordan I will miss you dearly. Love you always brother. I will never forget you.

“ Jordan and Ashley were the best neighbors anyone could ask for! We met and become fast friends when they brought baby Braelynn home from the hospital. Jordan was so happy to be a new dad! I knew him to be a loving father, husband, son, brother, and friend. He was always willing to help you out and the first to invite you over to share in a hunk of meat or a drink with a big ‘ol smile on his face. Jordan loved having friends and family over at the house (where fireworks abounded) and you always felt welcome and right at home in his company. Our friendship had only just begun but I’m grateful for the time our families shared together. Jordan will be forever missed but lives on in those memories!

“ Jordan & Ashley were our neighbors in Colorado & quickly became much more to us. What started as a simple "howdy" in the driveway quickly became an opening in the fence, whiskey, & grilling! Seeing the change in him when Braelynn was born is something I will never forget. The love and pride in his family was undeniable. I'll raise a glass of my finest whiskey to you, my friend!

“ Have none Jordan for years was a great friend. And he will be highly missed by me and others. Remember helping him install a furnace for his grandmother. And having great conversations with him at the supply house. He loved his daughter and wife more than life its self. He will be missed by all who new him.

“ Jordan was one of my best friends in 9th grade and I always wondered what other adventures in life he had gone off to. I would have loved to join him for some games of MTG. His joyfulness was indeed contagious... I remember him as being so playful, kind, and fun to be around. We used to pull our desks to the back of the class and joke around while we studied... our teacher was "cool" and didn't mind us doing this as long as we did our work. <3 My love to your family. Rest in peace, Jordan <3 Miss you.

“ Matthews family,
I am so very sorry for your loss. It is my loss as well.
I had a lot of fun with Jordan; from his first solo HVAC job he did at my place, to hunting on my property, meeting Braelynn for the first time, especially enjoyed all the BBQs and holiday parties he and Ashley hosted the past few years.
I will miss him.
