“ Grandma-Jo,
Just wanted to wish you a Happy Birthday! Would have been 92 today, but didn't look a day over 32. I know you're keeping an eye on all of us, especially Grandpa. Good thing, too cause he still needs someone to keep him in line. Love you so much and thinking of you always, Teresa##imported-begin##Teresa##imported-end##

“ Upon our return from visiting Rachel in Phnom Penh we read your Christmas letter about the sad news of Mrs. Jacobsen's death. We know that the death of a loved parent is hard, but also it is joyous to know that your mother became a believer. We rejoice concerning her eternal joy to be with God. After more than 25 years since my mother died (Ken's), I still have times when it does not seem fair, she would enjoy the grandchildren so much and I miss her. But also I know that she would never want to return to earth now that heaven is her home. We will pray for your family and for Joyce and Larry as well.##imported-begin##Ken and Alice Hurley##imported-end##

“ Linda, Terry, and family -- As I was coming to Dayton last night to be with mom I saw your mom's name on the marquis. I asked mom if she thought that might be your mother and she said that she thought they had just moved down here recently and that it very well could be. I came home and looked on the website to be sure and sadly found that it was her. Mom talked alot about our family's last names last night and she just is sure you and I are related, Linda! We are very sorry to hear of your mother's passing. Our thoughts and prayers are with you and your family at this time. Please call me if you need anything. (894-5368)

“ Joyce, I was so sorry to hear of your Mother's passing. I remember her wonderful smile and her positive attitude. She loved children and beamed when she talked about them. We're praying for you and the family. That beautiful alto voice will be missed on Sunday. Much love, Maxi##imported-begin##MAXI REYNOLDS##imported-end##
