“ Even though Judy was my second cousin, I didn't know her until I moved to Tennessee and went to a few Burdett reunions at her place. That's when I became acquainted with daughters Zona and Darlene, too. All three of Judy's children seem to be as sweet as she was. I remember Judy's parents and a couple of their children when they lived in Ohio when I was a young girl, but I didn't associate Judy with them. Vera identified everyone in the family picture for me today, and I began to put together Judys family in my mind. Vera, I hope you see this. I told you and others that I was going to the cemetery and church dinner, but decided there were so many people, I would have to walk too far for both, and came home instead. I left messages for Dot and Debbie to let you and others know to come by while you are in if you have time. I'm sorry for the loss of your mother on this earth, but this is not the end.!

“ Aunt Judy was a very beautiful person inside and out. She had a heart of gold and always was there for anyone who needed anything. I loved her like a mother and will always remember all the good things she did for me. All the long talks we had and all the laughs we had. I will cherish all the good times we had especially listening to Elvis and when she took me to an Elvis impersonator concert. I will miss her immensely!
