“ She was one special lady. I can't beleive she is gone!! But I know she always wanted to be with Morgan. She missed him so much. I remember her telling me that they got married, and went back to their families for almost a year! Just so their parents did not know they were married. But when she got pregnant, they had to tell them. Amazing when you think about!!! They never lost that love for each other. Finally they are together again for eternity..

“ She was a great mother, mother-inlaw, grandmother, and great grandmother! So sorry to hear of her passing. My prayers are with all of you. If I can do anything just let me know. This loss is tragic ; last of a generation.
