“ I wish to send my deepest sympathy to all of your family in the loss of your Moma. Kathy and Gary having worked with both of you I remember you speaking of her and with anticipation when she was deciding on the move to Dayton. I pray that each of you were able to spend time with her, as much as possible.
Having lost my Daddy this last October I realize that no matter how much time you have, it is never enough!
The day's will get some easier, but the void is still huge, and I'm not sure it will ever be any better, until we're together again in heaven. If I can do anything for either of you please let me know . You have my love and prayers.

“ I will never forget Aunt Libby's sense of humor. Going over to her house was always fun because she was always so funny and made sure we had a good time. Brenda, Kathy, Randy, Gary, I know how much you will miss her, but I can 'only imagine' that she is up in heaven with all her loved ones and making them laugh.
Love you,

“ I feel very blessed having Katherine be a part of my life the past 11 months. Everyday I spent taking care of her she made me smile. I admired her loving sweet ways and will miss her so much. Heaven gained a Beautiful Angel. I love you very much Katherine.
