“ Kathy was a very dear true blue friend of mine and was born premature like me though strong and healthy. I had not heard from her in several months and was concerned about her. She knew about my Dad's passing in Feb. 2020. My Prayers, Love and deepest Condolences to her son Leighton and family at this difficult time. Sending Love and Hugs! Molly Kennedy

“ Leighton,
We are so deeply sorry about your mom. Kathy was truly one of the warmest and most loving people I have ever known. No matter what was going on with her, she always had a smile, and always asked about my kids. I know you will miss her deeply, but we rejoice that she is united in Heaven with her sweetheart, Lynn. I hope that brings you comfort. From all of our family, please know you are in our thoughts and prayers.
With much love,
