“ Kristians father, Beau Lee, is my neighbor. Beau is someone who is always doing great for other people, if you needed something Beau would always be right there. I only met/saw Kristian a couple of times. I remember the last thing I heard her say was mistibushi, she was trying to say it. When we heard about what happened to her we didn't know what to think. It was so heartbreaking and tragic to hear about the loss of beloved Kristian. The Lee family will be greatly in my prayers. -Scott Hartman, your neighbor.
