“ I remember Kristina in elementary school, she was a little shy and was always a nice polite little girl. I have only seen her a few times since she left GES, but when I did run into her I would still see a glimpse of the shy little girl she once was. She was always friendly with a smile. December I know you are heartbroken, my prayers and thoughts are with you during this difficult time.

Well darlin', you left us all at loss for words with this. but we all love you.. The earliest memory I can think of is when your mom trimmed my hair and Heather wanted to spend the night.. young girls of 7 or 8.. The sight of girls all decorated with tattoos the next day.. You beat me up there so give my mom a squeeze for me.
