“ Deepest sympathy to Timmy, Courtney and family for your loss. Lisa and I became acquainted while we were both pregnant the summer of 1987. The days of Springfield Auto Service. I spent much time watching her play that damn Nintedo- Mario. Lisa was one of the strongest women I have known. We are shocked and saddened by the news of her passing. May she rest in peace and the family find comfort in the wonderful memories of her.

“ Courtney, I became friends with your Mom years ago through my sister, Deb. I know Lisa has really suffered but it doesn't seem real that she's gone. She was always so much fun to be around and always talking about her grandbabies, they were her world. I'm so glad she came to our all girls Christmas party at my sister Darlene's just a couple months ago. She had a great time and brought delicious goodies. It won't be the same without her. I'm praying for God to comfort you in the sad days ahead and I'm so very sorry.
