“ *We were so sorry to hear of Spuds passing. Please accept our
sincere condolences. Had we known in time we would have come
up there. As a musician myself, he was of the highest caliber.
I will miss him so much. I grew up with him and his sister and

“ We were so sorry to hear of the passing of Spud. My folks and I came down in 2001 and played up on the mountain at Sunny Clayton's place. This is where we first met Spud. We were watching the video this morning that we taped of the music. We thought he was one of the finest musicians we had been privledged to meet.

To the family,

Please accept our sincere condolences and know that you are in our prayers and on our minds. We will miss Spud.

Sincerely,

The Herbstreith Family
