“ Lucille Harris was someone I was blessed to know through family. As Dennis' sister and Tony's mother, we Arnold's were doubly blessed in our connection to her. I remember her always so "together". Not a hair out of place and always looking stylish! She was a beautiful woman both inside and out. I remember her praying for my daughter Mindy after she had a car wreck with a serious injury to her leg. When Teresa asked Lucille to pray she continued to pray until healing was complete and Mindy had regained full use of her leg. Lucille checked in with either Teresa or myself weekly for updates. What a prayer warrior! So appreciative of her prayers and kindness always extended toward me. Comforted to know I will see her again healed, whole and perfect!

*I'm so sorry Larry to hear about your Mother I only met her a few times at Brooklyns Birthdays but I found her to be a very nice and sweet person. I myself just Thursday lost a relative as well, it is never easy knowing you will not be able to see or talk with them again, but I pray you have closure in knowing that she is in a much better place now. My Prayers go out to you and the whole family. God Bless Betty Wyrick*

*I am so sorry to hear about Lucille and my prayers are with all of the family. I hadn't seen or talked to Lucille in years but lately I have wondered about her and how her and her beautiful family was doing. I went to church with her over the years and have such fond memories of her love for the Lord. I am glad she is at home with the Lord now and we all will see her again.*

*I wrote on here yesterday, but I haven't seen it so I will try again. Lucille was my dearest friend, more like a sister, and after losing my own sister in November I feel like I have been run over by a truck. My heart aches. We became friends with Clyde and Lucille when our children were growing up. We were together often. We celebrated special occasions, traveled together, played games (mostly dominoes) and just sat around and talked. She was special. When I had a problem she would pray with me over the phone. After they moved to Tennessee we went to Pigeon Forge nearly every year for a while and they met us there. We always enjoyed each other's company. I love her dearly and look forward to the time when we meet and never have to part. To Clyde, Tony, Larry, Donna, Dennis, Dewey and your families, we love you and we pray for you. Thank you, Dennis and Teresa for letting us know. May God give you peace and comfort.*
