“ My little sweet mother in law. She was an excellent cook. I'm so thankful for the cookbook she made me. She loved with her whole heart unconditionally. She will be missed. Until we meet again...we love you!

“ You were my angel here on earth, and now you’re my angel in Heaven. I will never be the same without you, but knowing that I was gifted 34 years with you is more precious than gold. I love you, Nana, more than I could ever put into words but you knew that. I know you and Papaw are casting lines and you’re catching the biggest fish. Rest sweetly and peacefully.

I am so thankful for the time God let us share together. 42 years seems along time butnit long enough. We have been through some tough times together. Counting pennys to pay electric bill to eating fried potatoes and gravey. You will be sorely missed by Marty and I. We love you and will see you again.
