“ We are so sad we missed the visitation yesterday! Margey and I got to know each other porch sitting at her Deer Ridge Apartment. She loved to laugh and she often cheered me up and gave me pep talks. She was a truth-teller, but she always softened it with a little bit of "funny." I will miss her. She was one in a million and made of "strong stuff."

“ This picture of Aunt Margey is perfect!!! It surely captures her beautiful smile. I can see so much that looks like my Grandma in her. I loved her. She was always so sweet, caring. I cant help but think of the times that I was with her and Grandma and listening to their stories. She will be greatly missed!!

“ She was our precious friend and neighbor. We will miss her but we know we will see her again. No one could have been a better friend. I will miss my shopping days with her.
