“ You are Chandi are spectacular! What a weurodfnl friend and companion you have, and to think she is a rescue dog. I'm so impressed. Dogs are so much smarter then most give them credit for..and you have done an awesome job, giving her love and teaching her to dance. I would love it if you had a moment to give me an idea of even how to begin to teach my border collie to dance. I hope you win!##imported-begin##Irwin##imported-end##
