“ Dear Frank, Sue and Family,

My thoughts and prayers have been with everyone one of you during this difficult time, and they will continue to be. I was only priviledged enough to meet Marie on a couple of occasions; however, I know she was an amazing woman. I was able to keep up with how she was doing through Sue, and I felt like I knew her well. Marie had been doing something for very special for my son recently, she had been crocheting hand towels for an upcoming benefit in his honor, and she never failed to ask how Jacob was doing. I will always hold a special place in my heart for this very special lady who was giving her time to help my child for as long as she as she was able, although she only knew us for a short time. I also want you all to know that it fills my heart with unexplainable joy and gratitude to know that you have chosen to Honor Marie by still helping the child that she was working diligently to help; by requesting that donations be made in her Honor to the UMDF. I am at a loss for words. Once again my prayers are, and will remain to be with your family. Love, Kristie, Jeramie and Jacob##imported-begin##Kristie Goodwin##imported-end##
