“ My deepest condolences to family and friends of Ms.Walker. My name is Rebecca or Becca as Ms.Walker called me. I had the privilege and honor of being her mail lady for 4 years until she moved to the nursing facility. At the point we continue to call and check on each other. I loved Ms.Walker so much and I know that she loved me. It's strange that you would have a close relationship with your mail carrier but we did. She was a very special lady and I never will forget her. Thank you Ms.Walker for not only being 1 of my best customers but thank you for being my friend. See you on the other side. Love always your Becca 🙏🏻🙏🏻

“ Thank you for allowing me the privilege of sharing special moments and precious time with this lively, determined and courageous and self directed lady. Truly my pleasure to meet her loving daughters who live life "real." You girls did it all her way. Be Proud of that and happy always.
