“ *I worked with Mark way back in the Prebul Chevrolet days... and again at the Dodge dealership. He was an absolute delight! Always wearing the sweetest smile. Anyone who knew him at all knew his world revolved around his family. Michelle and his girls were clearly the highlight of his life... along with them grand babies!! I can't imagine your pain right now, this is indeed a tremendous loss. I will send up prayers for peace and comfort in the coming days! Deepest sympathies!*

“ *Years ago, Mark's comments in Sunday School were such that we said if he ever taught a class, we'd go. Eventually he did and that was a time of real growth. Mark loved his Jesus and I am happy for him while I hurt for Michele!*
